

JANNAF Interagency Propulsion Committee Joint Army-Navy-NASA-Air Force

Meeting Sponsorship and Exhibit Package

The exclusive ITAR conference for the propulsion and energetics research community.

49th Combustion Subcommittee Meeting

37th Airbreathing Propulsion Subcommittee Meeting

37th Exhaust Plume and Signatures Subcommittee Meeting

31st Propulsion Systems Hazards Subcommittee Meeting

66th JANNAF Propulsion Meeting

Programmatic and Industrial Base Meeting

Additional Topics

Hypersonics • Digital Engineering • Green Propellants • Flowfield • Rotating Detonation Engines • Scramjet • Insensitive Munitions • Extreme Environments • Turbopropulsion

3-7 June 2019
Dayton, OH

Who Attends JANNAF Meetings?

Who Attends?

- Program Managers
- Research Scientists
- Engineers
- Students

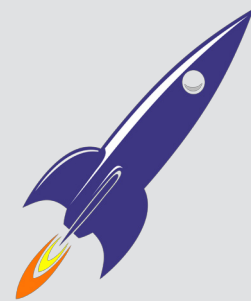

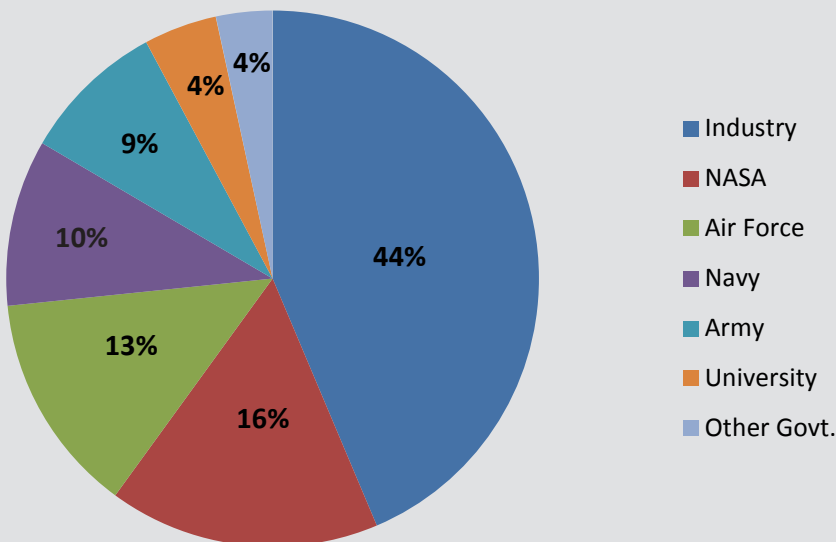

From where?

- DoD
- NASA
- Army
- Navy
- Air Force
- DoE National Labs
- Research Institutes and Centers
- Government Contractors
- Universities
- Supporting Organizations

Why should you exhibit?

- Showcase your organization's research
- Network with DoD/NASA program managers and other major players in the propulsion industry
- Develop new business opportunities
- Learn about new technologies from other organizations

Attendees by Affiliation

**350 + attendees,
300+ papers and
presentations**

* data gathered from previous three meetings of this subcommittee group

Exhibit and Sponsorship Details
