Abstract Submittal Details and Requirements

Instructions begin on page 2

JHU WSE ERG accepts only **electronic submission** of abstracts, presentations, and papers. **Abstracts can no longer be submitted via email, and instead must be submitted only via the new [Abstract Submittal Site](#).**

- A JANNAF Portal account is not required to submit an abstract.
- **Many organizations require abstracts to be processed through an approval system prior to submission. This process takes additional time. Plan accordingly to meet the abstract deadline date.**
- Review the [Call for Papers \(pdf\)](#) to determine the most appropriate technical area (subcommittee and mission area) for your abstract's topic.
- By submitting an abstract, you agree to **submit a final paper and publication clearance form by 6 May 2022, submit a final presentation by 20 May 2022**, attend the meeting, and deliver a **25-minute presentation**. The JANNAF policy of "NO Paper, NO Podium" will be in effect.
- The submission of a paper is required. Papers will be published in the JANNAF Digital Online Collection (JDOC) after the meeting.
- Presentation anticipated Distribution Statement is a required field when submitting an abstract. This helps the program planning committee to place your presentation appropriately in a session's agenda if accepted.
 - Primary dissemination of information from JANNAF presentations is relegated to either Statement A (approved for public release) or Statement C (Distribution authorized to U.S. Government and their contractors).
 - For security reasons, presentations marked with Statement B (U.S. Government agencies only), Statement D (U.S. Department of Defense and U.S. DoD Contractors only), or Statement E (U.S. Department of Defense components only), must be placed at the beginning of session agendas.
 - Papers may have different Distribution Statements than their corresponding presentations.
- Submit only unclassified abstracts. **Abstracts will NOT be published** and will only be used by the program committee members for selection and scheduling purposes.
- A maximum of 5 authors may be listed when submitting your abstract for inclusion in the author list for the Preliminary and Final Programs. This limit does not apply to your final paper/presentation. All names will be included in the author list in JDOC.
- Abstract length is limited to 300 words. Exclude tables or figures. State the objective of the work. Describe the scope, method of approach, and any new advances in the state of the art. Highlight important conclusions, and include a brief summary of the data used to substantiate them.
- If you are missing required information, save your form and return once you have obtained the missing information to complete and submit the form.
- Remember, ***you must be an invited and qualified U.S. Citizen to attend and present at this meeting.*** No foreign nationals are permitted to attend.
- The deadline date for submission of abstracts is **3 December 2021**.
