

Reading Room

During the December 2023 JANNAF Meeting, there will be two Reading Room options available for registered attendees to read pre-publication copies of unclassified papers that are publicly releasable, DoD Distribution Statement C, or CUI/FEDCON that have been submitted for the meeting. Presentations will not be included.

1. The In-Person Reading Room will be available onsite at the hotel, open from Monday, 4 December through Friday, 8 December, with specific hours listed in the meeting's Schedule-at-a-Glance, Meeting Invitation, Preliminary Program, and Final Program.
2. The Virtual Reading Room will be available 24 hours per day, opening at 9:00 a.m. MST on 4 December and closing at approximately 12:00 p.m. MST on 8 December (closing time subject to change). In order to access the Virtual Reading Room, attendees must be fully registered for the meeting, and must have their own device on hand, which they will then need to use to log into their JANNAF Secure Portal account.

To access the Virtual Reading Room:

- Once the meeting begins, if your registration is complete, go to www.jannaf.org and log into your JANNAF Portal account at the top right corner of the home page.
- On the home page, under "Navigation" on the right side of the screen, locate the "Meetings & Workshops" section and then click on "Reading Room." Navigation is located on the left side of the screen on all other pages of the website.
- Click the link for "December 2023 CS/APS/EPSS/ESHS/PIB".
- Once in the Virtual Reading Room, search for papers by session ID (such as 1B, 3L, 5A), author last name, or paper title.

It is critical that you read and heed the security information at the top of the Virtual Reading Room screen. It is your personal responsibility to handle the papers appropriately to keep them secure.
