

August 2018 Technical Interchange Meeting

ABSTRACT SUBMITTAL PROCESS

- It is acceptable for this conference to submit presentation charts only. Papers are welcome, but presentation charts are sufficient. Whether the author submits a paper or charts only, an abstract is still required.
- Presentations will be given an approximate 30-minute time slot, of which 20 minutes would be for the planned presentation and 10 minutes for audience questions.
- The technical areas to be addressed are defined in this announcement. Individuals who wish to submit an abstract should carefully review the areas and complete and submit the electronic abstract form provided with this announcement.
- Submit only unclassified abstracts. Abstracts will not be published and will only be used by the program committee members for paper selection purposes.
- Obtain management approval on the abstract form to ensure availability of resources for your participation.
- Many organizations require abstracts to be processed through an approval system prior to submission. This process takes additional time, so authors should plan accordingly in an effort to meet the abstract deadline date.

ERG accepts only electronic submission of abstracts and papers. Electronic abstracts are due at ERG by **6 June 2018**.

Abstracts may be submitted:

- Via email to: mtg@jhu.edu (**unclassified/unlimited distribution only**)
 - Mailed on CD-ROM to JHU/WSE-ERG, Attn: LPS/Advanced Materials Panel, 10630 Little Patuxent Parkway, Suite 202, Columbia, MD 21044-3286; **OR**
 - Uploaded to ERG's secure server as follows:
