

Advisory on the Dissemination or Use of Technical Data Published in the *JANNAF Journal*

1. Export of information contained herein, which includes in some circumstances release to foreign nationals within the United States without first obtaining approval or license from the Department of State for items controlled by the International Traffic in Arms Regulations (ITAR), or the Department of Commerce for items controlled by the Export Administration Regulations (EAR), may constitute a violation of law.
2. Under 22 U.S.C. 2778, the penalty for unlawful export of items or information controlled under the ITAR is up to 2 years' imprisonment, or a fine of \$100,000, or both. Under 50 U.S.C., Appendix 2410, the penalty for unlawful export of items or information controlled under the EAR is a fine of up to \$1,000,000, or five times the value of the exports, whichever is greater; or for an individual, imprisonment of up to 10 years, or a fine of up to \$250,000, or both.
3. In accordance with your certification that establishes you as a "qualified U.S. contractor," unauthorized dissemination of this information is prohibited and may result in disqualification as a qualified U.S. contractor and may be considered in determining your eligibility for future contracts with the Department of Defense.
4. The JANNAF Technical Executive Committee and the editorial staff, to include editorial advisory board members, the editor-in-chief, associate editors, reviewers, and ERG staff, assume no liability for direct patent infringement, or contributory patent infringement or misuse of technical data.
5. The JANNAF Technical Executive Committee and the editorial staff, to include editorial advisory board members, the editor-in-chief, associate editors, reviewers, and ERG staff, do not warrant the adequacy, accuracy, currency, or completeness of the technical data.
6. The JANNAF Technical Executive Committee and the editorial staff, to include editorial advisory board members, the editor-in-chief, associate editors, reviewers, and ERG staff, assume no liability for loss, damage, or injury resulting from manufacture or use for any purpose of any product, article, system, or material involving reliance upon any or all technical data furnished in response to the request for technical data.
7. The JANNAF Technical Executive Committee and the editorial staff, to include editorial advisory board members, the editor-in-chief, associate editors, reviewers, and ERG staff, assume no liability for loss resulting from the rejection and decision to not publish a manuscript.
8. If the technical data furnished by the *JANNAF Journal* will be used for commercial manufacturing or other profit potential, a license for such use may be necessary. Any payments made in support of the request for data do not include or involve any license rights.
9. A copy of this notice shall be provided with any partial or complete reproduction of these data that are provided to qualified U.S. contractors.
